

Consultant Exchange

I am excited to share with you insights on three recent trends.

First, we have a new video that discusses advantages of FX Hedging, including how it can support **distribution** and **operational efficiency**. Second, based on conversations our relationship managers have been having with clients, our latest article dives into the nuances of **Multi-Manager Platforms** and provides key information.

Last, we explore the **top five questions** you need to ask before launching an ETF.

Currency Administration Trends and Advantages for Asset Managers

In this short video, BBH's Jay Moore and Joe Conway, discuss the latest trends and opportunities in Currency Administration.
